Donate a Cup of Coffee to ASEF

Celebrate National Coffee Day this September 29 with ASEF. We're holding our second annual 'Donate a Cup of Coffee to ASEF Day' or 'Coffee Day' for short. Consider donating what you would spend on a cup o' joe to the ASE Foundation instead. This year we upped the ante and set a goal to raise \$5,000. Donations will be accepted from September 27 – October 3. Plan to donate a cup (\$5) or a whole pot of coffee (\$50). Be the caffeine hero of your echo lab and donate in their honor. When you donate, snap a picture and post to social media using #GaveACup #ASEFoundation and tag @ASE360.

ASE 2021 Dues Renewal

Keep an eye out for your ASE Membership dues renewal in the mail. The invoice includes a suggested \$20 donation to the ASE Foundation Annual Appeal. We encourage you to accept this donation when renewing your membership. If every member donated \$20, we would raise almost \$300,000!

Call for Nominations for 2021 Scholarships & Travel Grants NOW OPEN

ASEF is accepting nominations for the Alan D. Waggoner Sonographer Student Scholarship Award and the Feigenbaum Cardiovascular Student Travel Grant.

The Alan D. Waggoner, MHS, RDCS, FASE Sonographer Student Scholarship program was established in 2001 in recognition of Mr. Waggoner's professional achievements and service to ASE. The scholarship includes an award of \$1,000, complimentary registration for ASE's Annual Scientific Sessions, and annual meeting travel support not to exceed \$500. Full nomination criteria found [here](#).

Supported by a grant from Elsevier Inc to honor Dr. Harvey Feigenbaum's commitment and tenure as the former JASE Executive Editor, the Feigenbaum Cardiovascular Student Travel Grant provides funding to assist a student in a CAAHEP accredited cardiac ultrasound program to attend the annual Scientific Sessions or other ASE-sponsored educational program. The travel grant includes an award of \$1,000 and complimentary registration for ASE's Annual Scientific Sessions. Full nomination criteria found [here](#).

Frontiers in Cardiovascular Ultrasound Research: A Casual Conversation with the Inaugural E21 Research Grant Recipients

Join E21 Research Grant study section chairs
Jonathan R. Lindner, MD, FASE (American

Society of Echocardiography) and **J. Brian Fowlkes, PhD, FAIUM** (American Institute of Ultrasound in Medicine) for a free, **moderated discussion** with the E21 Grant Recipients on **September 23, 2020 at 6:00 PM ET**. The event will include updates on the innovative research being done through clinician-scientist and engineering partnerships, and dialogue regarding cutting-edge ultrasound research.

Featuring the inaugural E21 Research Grant Recipients presenting their mid-term progress reports:

- **Oliver Kripfgans, PhD, FAIUM**
- **Babak Nazer, MD**
- **Patricia Pellikka, MD, FASE**

The aim of the inaugural E21 Research Grants funding opportunity was to promote research partnerships between clinician-scientists and engineering scientists, with the purpose of addressing a major clinical problem in cardiovascular ultrasound imaging. Funding was provided by the ASE Foundation, American Society of Echocardiography, American Institute of Ultrasound in Medicine, National Board of Echocardiography, Inc., Bracco, Inc., and Lantheus Medical Imaging, Inc.

Next Twitter Journal Club: WASE Normal Values Study

Are you on Twitter? If not, you will want to join now so you can participate during the next ASE Twitter Journal Club when they review the article, **Similarities and Differences in Left Ventricular Size & Function among Races and Nationalities**. This article highlights research that was done as a part of the World Alliance Societies of Echocardiography (WASE) Normal Values Study that was funded by the ASE Foundation.

Co-Authors Dr. Federico M. Asch and Dr. Roberto M. Lang will be on Twitter, **Tuesday, September 15, from 8:00 to 9:00 PM US EDT**, to answer all your questions.

As an ASE member, you can also receive **FREE CME** for participating in this activity.

Register BEFORE the Twitter Journal Club to guarantee your free CME.

1. To register, login to your **ASE member portal**.
2. Select the ASE Learning Hub from the top red menu.
3. Register for the event **here**.

How does the Twitter Journal Club work?

Download the Twitter app to your phone or computer. Create an account with Twitter by creating your own handle (@XXX). Then log in to Twitter at 8:00 PM and search the Journal Club's hashtag **#ASEchoJC**. We will be tweeting the discussion on **@ASE360**. We invite you all to engage in the online discussion. Please hashtag each of your tweets with **#ASEchoJC**.
