MBBS, FASE

Announcements

Innovation in Cardiovascular Ultrasound Research Grants

The ASE Foundation is proud to announce the awarding of two \$45,000 research grants for meritorious echocardiographic research proposals relevant to the innovation cardiovascular ultrasound. Of particular interest were proposals that expand the key role of echocardiography, or the development of novel technology, in clinical diagnosis or management. Please join us in congratulating the recipients of the 2021 Innovation in Cardiovascular Ultrasound Research Grants!

Olivier Villemain, MD, PhD, from the Hospital for Sick Children, University of Toronto for "Myocardial Stiffness and Coronary Microperfusion Assessment for Early Detection of Cardiac Allograft Vasculopathy in Children After Cardiac Transplantation: Human Application of Ultrafast Ultrasound Imaging"

Olivier Villemain, MD, PhD

Bethel Woldu, MD, MPH

Coffee Day 2021 – Mark Your Calendar

National Coffee Day is September 29 and ASEF will once again hold a fundraiser to celebrate! Mark your calendar and plan to "buy us a cup of coffee" with a donation on September 29. Remember to tag [@ASE360](#) on social media with a picture of your cup of coffee using **#ASEFoundation** and **#GaveACup**. We want to see your coffee selfies and cheers you for your contribution to our Annual Appeal. Interested in making an early pledge? Contact Mary Carmody at MCarmody@ASEcho.org.

It is never too early to start thinking about your 2021 charitable contributions.
Learn about the numerous ways you can give to the ASE Foundation [here](#).
