2021 Annual Appeal

What an amazing year! Thanks to your generous donations, the 2021 Annual Appeal raised **over \$233,000!** Your gifts exceeded our \$200,000 goal, which means we can support even more travel grants and scholarships, global health outreach activities, guideline dissemination, and research in 2022 than originally planned. Thank you to the **over 3,300 donors** who contributed; your support means the world to us and together, we will continue to make a world of difference in 2022.

2022 ASEF Funding Opportunities

Arthur E. Weyman Young Investigator's Award Competition

Young investigators under the age of 40 who are no more than five years from the end of their training are eligible for this annual competition supported by the National Board of Echocardiography in honor of their first president, **Arthur E. Weyman, MD, FASE**. Four finalists will be selected to present their research to a panel of experts during the [ASE 2022 Scientific Sessions](#). Each finalist will receive \$1,000, complimentary registration, and a travel stipend to attend the meeting. The competition winner will be awarded an additional \$500 and be invited to present his/her research at the December 2022 European Association of Cardiovascular Imaging congress, and the April 2023 Japanese Society of Echocardiography meeting.

Investigators must submit an abstract of original research to ASE 2022 to be eligible for consideration. [Abstract submission closes February 9, 2022.](#)

Brian Haluska Sonographer Research Award Competition

Sonographer (non-physician) investigators who served as the primary investigator on their original research project are eligible for this annual competition sponsored by the ASE Foundation in honor of **Brian Haluska, PhD, MSC (HONS), RDCS, AMS, FASE**, and his incredible contributions to sonographer-led research over the course of his career. Four finalists will be selected to present their work to a panel of judges during the [ASE 2022 Scientific Sessions](#). Each finalist will receive complimentary meeting registration and a travel stipend to attend the meeting. The competition winner also receives a \$500 award.

Investigators must submit an abstract of original research to ASE 2022 to be eligible for consideration. [Abstract submission closes February 9, 2022.](#)

Top Investigator Travel Grants

The 2022 ASE Scientific Sessions Abstract Chairs will select a group of early career abstract presenters, based on the scientific merit of their research projects, to receive \$1,000 travel stipends to attend the [ASE 2022 Scientific Sessions](#). The **Alan S. Pearlman Research Award**, established in honor of Dr. Pearlman's ten years of service as JASE Editor-in-Chief, recognizes the investigator with the highest scoring research project.

Investigators must have an abstract of original research accepted for presentation at ASE 2022 to be eligible for consideration. [Abstract submission closes February 9, 2022](#).

TOMTEC Innovator Research Travel Grant

Supported by a grant from TOMTEC Imaging Systems, this annual \$4,000 award is given to assist a promising young researcher presenting his/her work at the [ASE 2022 Scientific Sessions](#). Application is open to investigators under 40 years of age who have an abstract accepted for publication in one of the following research categories: novel technologies (3D, Doppler, or strain), valvular heart disease, or ventricular function.

Investigators must have an abstract of original research accepted for presentation at ASE 2022 to be eligible to apply. [Abstract submission closes February 9, 2022](#). Accepted abstract presenters will receive instructions for application in their March 18, 2022 acceptance notifications.

ASE Council Travel Grants

These travel grants are part of an ongoing effort by the Foundation and the Council Steering Committees to encourage trainees in cardiovascular specialties to focus on the respective echocardiography subspecialty and to recruit enthusiastic new members to the Councils. The Foundation is funding \$1,000 Council Travel Grants for trainees to support their travel to attend the [ASE 2022 Scientific Sessions](#).

[Application opens February 1, 2022](#).

Alan D. Waggoner Sonographer Student Scholarship Awards

The Alan D. Waggoner Sonographer Student Scholarship Award is given to sonographer students enrolled in CAAHEP accredited educational programs who exhibit a passion for the discipline of echocardiography and demonstrate leadership abilities. Selected students receive a \$1,000 scholarship, as well as complimentary registration and a travel stipend to attend the [ASE 2022 Scientific Sessions](#) in June. The **Katanick Student Scholarship Award**, established in honor of Sandy Katanick, RN, RVT, CAE for her over 25 years of service as CEO of the Intersocietal Accreditation Commission, recognizes the highest-ranking student scholarship applicant.

Nominations now closed. Recipients will be notified in February 2022.

Feigenbaum Cardiovascular Sonographer Student Travel Grant

Supported by a grant from Elsevier, Inc. to honor Dr. Harvey Feigenbaum's commitment and tenure as the former JASE Executive Editor, this award provides \$1,000 and complimentary registration to assist a student in a CAAHEP accredited cardiovascular ultrasound program to attend the [ASE 2022 Scientific Sessions](#) or another 2022 ASE-sponsored educational program. The winner will also receive a one-year student membership in ASE.

Nominations now closed. The recipient will be notified in February 2022.

It's not too early to start thinking about your 2022 charitable contributions. Learn about the numerous ways you can give to the ASE Foundation [here](#).
