Announcing a New Opportunity to Make a Donation with Name Recognition: Now Offering Named Tables at the Annual Research Awards Gala

The ASE Foundation Board is pleased to offer donors a new opportunity to make a donation with name recognition. Donors are invited to purchase naming rights for a table at the Foundation's Annual Research Awards Gala. For a \$5,000 donation, a table may be named in honor or in memory of an ASE luminary (a member with a significant relationship to ASE) for a period of five years. A gift of \$35,000 will name that table in perpetuity. All gifts will be treated as a contribution to the Pamela S. Douglas Research Scholar Endowment Fund, and support future Douglas Research Scholar Awards.

Available tables are limited. Please contact Andrea Van Hoever at AVanHoever@ASEcho.org for more information.

All requests to name a table will be vetted by the ASE Foundation Board, and honorees must agree to a social media screening performed by a third-party vendor. Naming rights do not guarantee location of the table, ownership of the table, a guaranteed seat at the

Gala each year, nor discounts on other tables. Attendance at the Gala will require purchase of a ticket or table, but staff will make every effort to match donors' seating assignments at named tables as possible.
