### Don't Miss the ASE Foundation 13th Annual Research Awards Gala *Registration is NOW OPEN*

The ASE Foundation cordially invites you to attend our **“Emerald City” black-tie fundraiser** to celebrate cardiovascular ultrasound research and honor ASE’s 2022 award recipients. Join us on Sunday evening, **June 12**, at the Grand Hyatt Seattle for a magical evening of entertainment, dinner, and dancing.

This premier fundraising event for the ASE Foundation has sold-out in the past, so **[buy your tickets today](#)** to claim a premier seating option. Tickets will not be available onsite.

### Spring Giving Month Recap

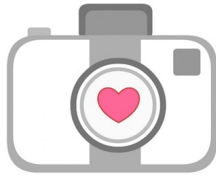

The Foundation celebrated Women’s History month by encouraging donations in honor of women who had a positive impact in your life. Twenty-seven thoughtful supporters gave \$2,799. Thank you for springing into action and helping the Foundation bloom this spring! We have to give a very special thank you to **Melissa Wasserman, RDCS, RCCS, FASE**, for her fundraising efforts. Twenty-one people donated in her honor for her birthday raising almost \$1,900.

You can see all the honored women and their tribute messages on our **[website](#)**. Thank you for letting ASEF shine a spotlight on these incredible women.

## ***Hearts All Around Us Photo Exhibit Submission Closes Friday, April 15, 2022***

We are now accepting photo submissions for this year's photo exhibit, *Hearts All Around Us*. The exhibit will showcase photographs of heart-shaped things you have come across in nature, architecture, everyday life, etc. Since you work with the heart, you probably find yourself seeing hearts all around, so send us your best shots! Full submission details available [here](#). **Submission closes April 15, 2022.**

## ***ASE Council Travel Grants - Accepting Applications Applications Due Monday, April 18, 2022***

[These grants](#) are part of an ongoing effort by the Foundation and the Council Steering Committees to encourage trainees in cardiovascular specialties to focus on the respective echocardiography subspecialty and to recruit enthusiastic new members to the Councils. The Foundation is funding eight grants of \$1,000 each for trainees to support their attendance at the [ASE 2022 Scientific Sessions](#). Full application details are available [here](#). **Application closes April 18, 2022.**

## ***TOMTEC Innovator Research Travel Grant - Accepting Applications Applications Due Monday, April 18, 2022***

Supported by a grant from TOMTEC IMAGING SYSTEMS GMBH, [one grant of \\$4,000](#) will be awarded to an investigator whose abstract was accepted for presentation at the ASE 2022 Scientific Sessions in Seattle. Investigators presenting research in the areas of novel technologies (3D echocardiography, Doppler, or strain imaging), valvular heart disease, or ventricular function are eligible to apply. Visit the [application form](#) for more information and to apply. **Application closes April 18, 2022, 5:00 PM Eastern Time.**

## ***Cardiovascular Challenge Miles Tracked June 10-13, 2022***

Back IN PERSON, we are hosting our ever-popular exercise challenge during the ASE 2022 Scientific Sessions in Seattle. We will be tracking miles exercised—so you can swim, bike, run, walk, etc. your way to the top of the leader board! Plan to get up and moving this June with the ASE Foundation. Sign up in advance [here](#). Interested in sponsoring this challenge? Contact Mary Carmody at [MCarmody@ASEcho.org](mailto:MCarmody@ASEcho.org).

## ***Impact of Echo Report Recommendations for Severe Valvular Heart Disease Research Grant Applications Due Wednesday, August 31, 2022***

[One grant of up to \\$1.1 million](#) USD over two years will be awarded to examine the impact of embedded echocardiography report interventions on referral patterns and outcomes in patients newly diagnosed by echocardiography with severe aortic stenosis (AS). This study in particular will examine the role of a primary care provider and referral patterns to a cardiac specialist for patients presenting with severe AS, though the study may be expanded to include other forms of severe valve disease. The grant will be awarded by ASE through the Foundation, with the support of funding from Edwards Lifesciences. More information available [here](#). **Application closes August 31, 2022, 5:00 PM Eastern Time.**

As you consider your 2022 charitable contributions, learn about the numerous ways you can give to the ASE Foundation [here](#).
