Your Donations In Action – Now Accepting Global Health Team Applications

The ASE Foundation is now accepting volunteer applications for two global health outreach events this year. Teams will be working in Dakar, Senegal, in June and Bengaluru, India, in September. Physician, sonographer, and scientist team members are needed. View the [Call for Volunteers](#), which outlines the scope of both events, including specific clinical skills necessary for each team. **Applications for Team Senegal are due March 24; applications for Team India are due March 31.**

Donations allocated to ASEF's [Global Health Outreach initiative](#) make these events possible. Through this program, the Foundation can bring cardiac care to areas in need, teach local clinicians, and provide direct patient services to at-risk communities. We continue to be impressed by the incredible generosity and enthusiasm of our community for this type of global health work. Thank you for helping us make a world of difference!

Spring Giving – Celebrating Women's History Month

Happy Women's History Month! The Foundation invites you to celebrate by making a [donation](#) in honor of the women in your life. Think of your mentors, supervisors, or family members who have positively impacted you. When you [donate](#), we encourage you to send a picture of your honoree and a tribute message to Foundation@ASEcho.org. We will post their image and your message on our [website](#). Let us shine a spotlight on the inspiring women who have made a lasting impression. Your contribution this month brings us closer to our goal to raise \$5,000 and kick-starts our 2025 Annual Appeal.

This is the first fundraiser included in the [Three for Free](#) raffle. Donors must give at least \$25 to three 2025 ASE Foundation fundraisers, starting with Spring Giving, to be eligible for a chance to win a FREE registration to ASE's 2026 Scientific Sessions. See full details [here](#).

ASE Council Travel Grants – Now Accepting Applications

ASE member trainees are invited to apply for an [ASEF 2025 Council Travel Grant](#) to support their attendance at the [ASE 2025 Scientific Sessions](#). These \$1,000 USD grants are part of an ongoing effort by the Foundation and the Council Steering Committees to encourage trainees in cardiovascular specialties to focus on the respective echocardiography subspecialty and to recruit enthusiastic new members to the Councils. Full application details available [here](#). **Application closes April 15, 2025.**

16th Annual Research Awards Gala – Save the Date!

The ASE Foundation's premiere fundraising event, the Annual Research Awards Gala, will be September 6, 2025, 6:30 PM – 11:00 PM, at the Omni Nashville Hotel.
