

Your Donations In Action

Help Us Brew Some Good! Coffee Day 2026

The ASE Foundation set a fundraising goal of \$5,000 for this year's [Coffee Day fundraiser](#). Donations will be accepted from September 27 – October 3. After you donate, *espresso* your support for the Foundation on social media by tagging [@ASE360](#) with [#GaveACup](#). We love hearing from our donors and learning what matters most to you.

If we can raise \$5,000, your support could fund opportunities like: 5 sonographer student scholarships, 5 Top Investigator Travel Grants, or even 12 ASE 2027 registrations for sonographer students. Your Coffee Day contribution can help support future cardiovascular ultrasound professionals like, 2026 Katanick Scholarship recipient, **Yu Liu**.

"Thank you, ASE Foundation donors, because of your generosity I was provided the opportunity to learn from and meet with experienced professionals and return with ideas that will inform my professional growth. I hope future echo students and early-career sonographers will have the same opportunity that you have made possible for me." **Yu Liu**

Help us generate buzz for Coffee Day. **We are seeking supporters to match funds raised!** Matching funds is a great, simple way to generate buzz and inspire even more support for the ASE Foundation. If you would like to make a matching pledge or have a connection to a party that is interested, please contact Foundation@ASEcho.org.

Announcements

Call for Nominations: Sonographer Student Funding Available
